Please answer questions 27 through 33 by marking Yes or No.

27. Would you attend a workshop dealing with alcohol and other drug prevention/education efforts? Yes No
28. Do you consider the current alcohol and other drug use on this campus to be a problem?
29. Do you consider the current alcohol and other drug use on this campus to be more of a problem than that experienced by other campuses?
30. Do you think the current alcohol and other drug use on this campus is a concern for educators?

31. Do you know how to identify the signs of problematic alcohol and other drug use? Yes No
32. Do you feel that more information regarding the identification of problematic alcohol and other drug use among students would be helpful to you?
33. If you knew how to refer students to appropriate services for suspected alcohol and other drug problems, would you refer them to such services?

34. Which of the statements below best represents (1) the attitude you have regarding alcohol use, and (2) the most common attitude of the campus in general regarding alcohol use.
- Drinking is never a good thing to do.
 - Drinking is okay, but a person should never get drunk.
 - An occasional “drunk” is okay as long as it doesn’t interfere with academics or other responsibilities.
 - An occasional “drunk” is okay even if it does interfere with academics or other responsibilities.
 - A frequent “drunk” is okay if that is what the individual wants to do.

1. Your own attitude A B C D E
2. Campus in general A B C D E

35. Which of the statements below best represents (1) the attitude you have regarding illicit (non-prescription) drug use, and (2) the most common attitude of the campus in general regarding illicit (non-prescription) drug use.
- Using drugs is never a good thing to do.
 - Using drugs is okay, but a person should never get wasted.
 - An occasional “drug high” is okay as long as it doesn’t interfere with academics or other responsibilities.
 - An occasional “drug high” is okay even if it does interfere with academics or other responsibilities.
 - A frequent “drug high” is okay if that is what the individual wants to do.

1. Your own attitude A B C D E
2. Campus in general A B C D E

Personal data

1. Highest education level

- PhD
- Masters
- Bachelors
- High school dip. or GED
- Less than high school diploma or GED

2. Gender

- Male
- Female

3. Age

<input type="text"/>	<input type="text"/>
0	0
1	1
2	2
3	3
4	4
5	5
6	6
7	7
